SEX BLOGGER, PODCASTER, KINKY WOMAN,  
A SEXUAL BEING

## about me

What started out as a way to chronicle my own sexual exploration and fantasies has become a way to share, educate, and arouse. Whether I'm writing a blog post or producing a podcast episode, there's one goal in mind: kink in real terms for real people. As a blogger, podcaster, and influencer, I talk about Dominance and submission (D/s), BDSM, kink, and kinky fuckery aka the smutty sexy stuff.

## about the blog

KaylaLords.com is home to informational pieces on building strong, lasting D/s relationships, erotic reviews showing how one person or a couple can play with sex toys, the promotion of others who write great smut or have something worth sharing about BDSM, kink, D/s, and/or kinky fuckery, as well as products, videos, and more for those who want to dive deeper than the fantasy.
